

Bedford Falls Book Fairs

Check Out
Our NEW
Tablet
FEATURE!

Training App now on each Tablet

Use our **new tablet-based Training App** to teach volunteers on how to process transactions. The app functions like the actual BookScanner App except you will not be able to process credit cards or submit reorders. Nothing done in the Training app will affect your book fair totals so, volunteers can practice with confidence.

Keep your check-out lines moving!

TIPS:

- Tablets will arrive with your book fair
- Encourage volunteers to practice in the Training App before Family Events or other busy times.
- Consider holding a group training
